

Napier Family Centre

making the future happen together

Want to contribute your professional photography skills to an organisation helping families along life's journey? Napier Family Centre is looking for a project volunteer with photography skills, to shoot and edit images of clients, staff, supporters and our wider community for the 2023 Annual Report.

Position: Photographer (volunteer)

About us

Napier Family Centre is a not for profit, community-based social service organisation providing services that help children and families along life's journey. Every year we support around 2,500 families and individuals with counselling, financial capability, social work, family education programmes and early childhood education and care. Our volunteers have all sorts of skills and experience and make a real difference in supporting our work.

Purpose of the role

To create high-quality and visually impactful images that will allow Napier Family Centre to tell the stories of their clients and communities. These images may be for commercial use.

This role will be a short-term volunteer role working on a specific project, but we are open to discussing an ongoing volunteer role with wider scope for someone looking for a longer term commitment.
